

## Arc Theatre presents **Sophie's Story** an interactive performance workshop for Key Stage 2

***A young girl arrives in your school. She waits outside the Headteacher's Office. She begins to tell her story...***

**Sophie's Story** is an interactive monologue performance and workshop that explores what happens when friendships break down and bullying sets in.

Facilitated by a professional director and actor from Arc, **Sophie's Story** is a practical drama workshop for primary schools, which allows pupils to actively focus on the dynamic of relationships along with their understanding of what bullying is. Participants will also learn how to develop empathy and consider whose responsibility it is to make sure that bullying does not take place.

**Format: interactive performance workshop session**

**Duration: 60 minutes**

**Audience age: primary years 3 to 6**

**Group size: class of up to 30 per session**
